

PRAYER FOR L-10-T

Everything about the L-10-T ministry globally and any country or local organisational or individual expression of L-10-T depends on the Lord's blessing and his anointing:

Jesus says in Luke 10:

² He told them, The harvest is plentiful, but the workers are few. Ask the Lord of the harvest, therefore, to send out workers into his harvest field.

And

¹⁹ I have given you authority to trample on snakes and scorpions and to overcome all the power of the enemy; nothing will harm you.

And

¹⁶ He who listens to you listens to me; he who rejects you rejects me; but he who rejects me rejects him who sent me.

With Him then we call on all to pray for all aspects of their own, the L-10-T ministry, and for prayer for workers in the harvest.

An hour of prayer example is attached. There are some guidelines internationally and for the L-10-T ministry, but please add your own specific prayer in the relevant 5-minute slot.

You can do the prayer as an hour of prayer at regular or selected times of prayer or fasting.

You can also use the 12 sections as individual items of prayer every day (12 days, 6 days cycles, etc.) or as it suits you.

Actively encourage L-10-ers to make prayer for workers in the harvest the first item on their Take Five PLUS! (refer to Unit 8 of the Training Manual)

**Please pray – remember as you pray for others
– others are praying for you!**

Enjoy Going Deeper with God!
